We are delighted to once again be able to provide extended school care exclusively to pupils at Harris Academy Benson School over the 2021/2022 academic year. Holiplay Kids Club Benson offers a safe and familiar setting for children to stay and play each morning and afternoon during the school term time, making us a convenient childcare solution all around, especially for working parents and carers. We work with the needs of our parents and carers in mind providing an affordable and flexible access breakfast club from 7.30am and after school care up until 6pm, which can be arranged over a fixed term or on an ad-hoc basis subject to availability. Our children benefit from a stimulating and enriching daily activity schedule, which compliments the Early Years and Foundation Stage Curriculum. With a daily healthy breakfast, light afternoon meal and healthy snacks included, not only is Holiplay *the place kids love to play* it's also the 1st choice out-of-school childcare provider for an ever-growing number of parents and carers. We hope to one day welcome you and your child to the Holiplay family!
